Dear Harriet,

Well our school year together is finished I guess.

Yes we have had fun in the past, especially cheerleading and all of the trips we traveled together.

Some of the times while cheerleading I wondered if we would ever get through the year. But I guess we finally succeeded.

Good but I am going to miss you next year. It just doesn't seem like it should be finished with the Adrian High School.

I hope that you kids as seniors may have as much in the next year as we did but I also hope that you may get along better and reach the goals that you have set.

Well I guess that it is about time for me to close so it will be seeing you.

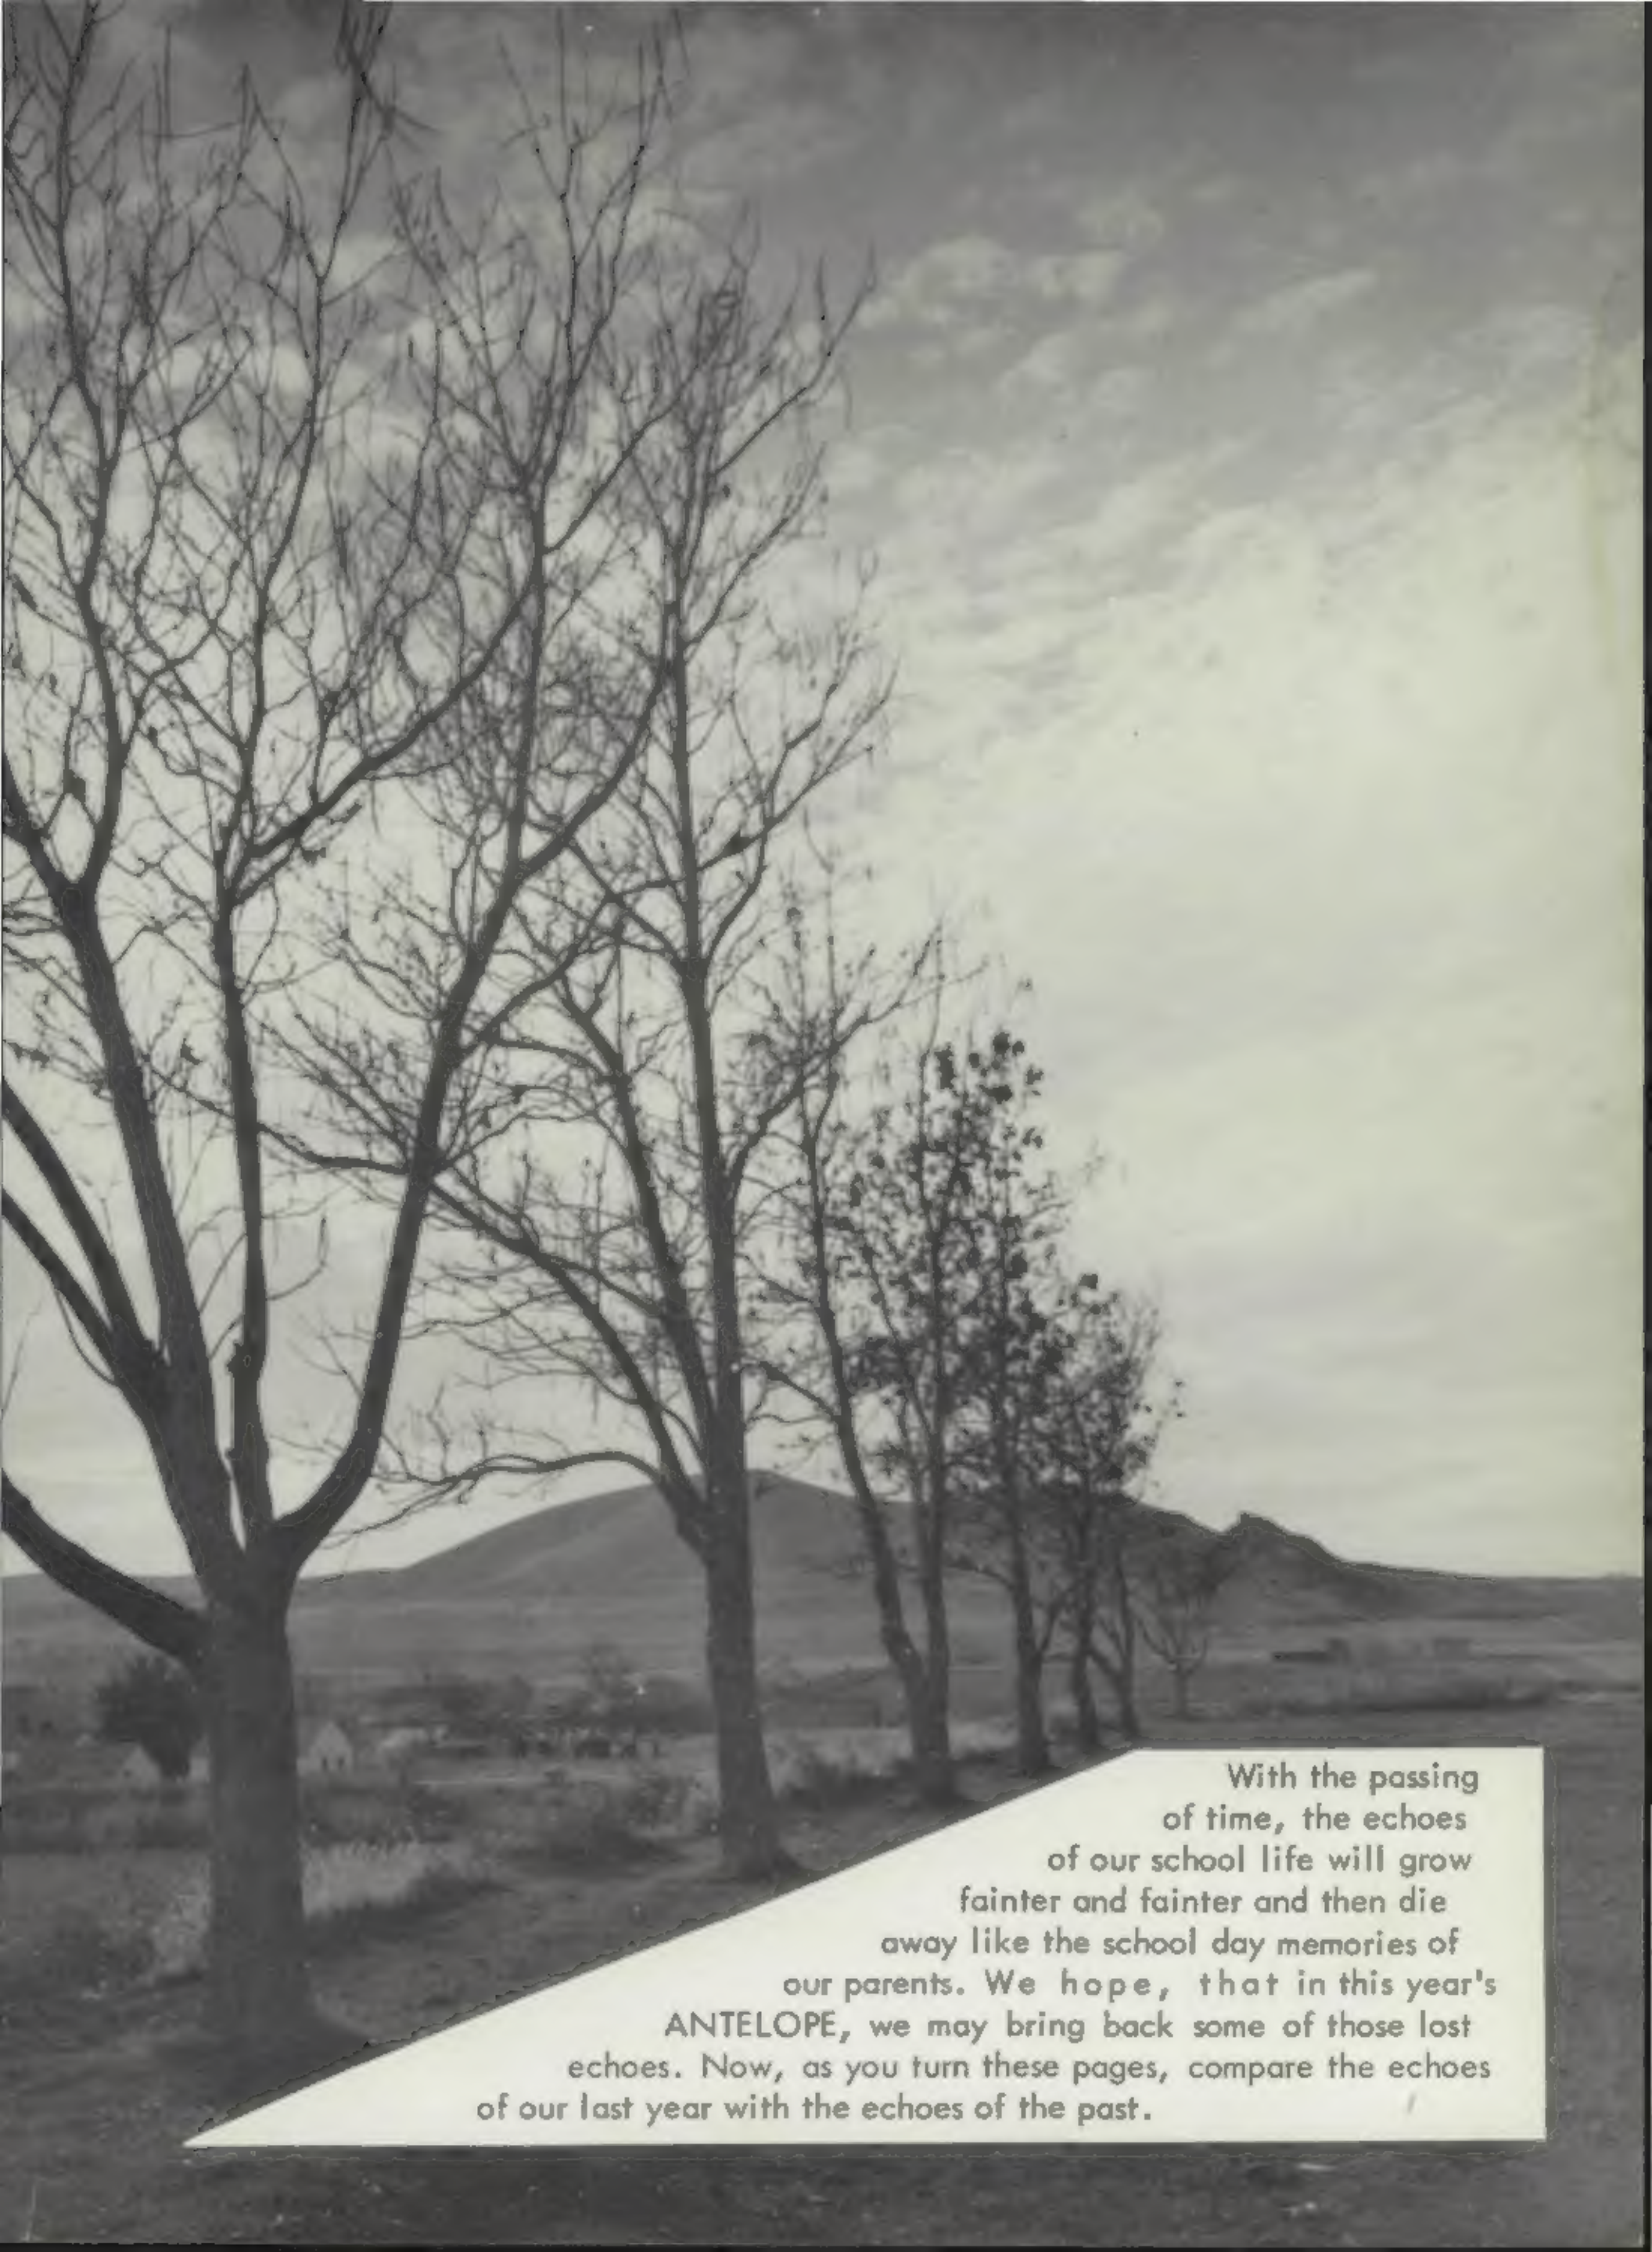

May have all the success and happiness in the world that you have ever wished for.

After hoping that you have fun in the future cheerleading and "otherwise."

To a real cute gal may all the luck fall.

Sharon

With the passing
of time, the echoes
of our school life will grow
fainter and fainter and then die
away like the school day memories of
our parents. We hope, that in this year's
ANTELOPE, we may bring back some of those lost
echoes. Now, as you turn these pages, compare the echoes
of our last year with the echoes of the past.

SENIOR OFFICERS

1957

The Senior Class of 1957 has been a very active class all through their high school years. Besides winning the annual magazine drive for three years in a row, they have presented two successful plays and a successful Junior-Senior Prom.

Leading the Seniors in their last year at school is Dallas Chaney as President. His reliable Vice President is Jean Crocker. Recording the events of the meetings is our accurate secretary, Sally Reed. Keeping track of our money and paying our bills is our class Treasurer, JoAnne Wood. Trying to keep order at our class meetings is our Sergeant at Arms, Janet Parker. Our very able and likable advisor is one of our favorite teachers, Glenn Ward.

He is not dead, this friend of our affection,
But gone on to that school

Laying the foundation for four successful years are the 1956 Freshmen. Attempting to set an example for the rest are the class officers.

President of the class is Don Costley. Pinch hitting for him when he is gone is Charles Nelson as Vice President. Keeping track of events is Cliff Looney as Secretary and counting their money is Henrietta Carroll.

Butch, Steve, Larry, Jim, James, Phil, Wayne, Kay, and Gene on the squad. Hard working managers were Joe Mackey and Darrell Wilson. Coach Harper, center.

This year Adrian's basketball team was composed of four seniors and two juniors and three sophomores. The Seniors, who will be greatly missed next year are Wallace Butler, Larry Culbertson, Wayne Smith, and Gene Haney. Although losing more games than they won, many of the games were not decided until the final minutes of play. The team displayed a good brand of basketball and at all times maintained an excellent record of sportsmanship, team play, and scholarship. Next year's team will be built around the two juniors--Steve Sayre, and James McKinley--three sophomores--Jim Thompson, Phil Hatch, and Kay Cleverly--and this year's Junior Varsity team.

The JV's have proved to be a scrappy squad by coming from behind in the final moments of play to squeeze past many unexpected quint's. The team is comprised of three freshmen and eleven sophomores. They are: Gary Neilson, Alan Boatride, Mike Sillinos, Harold Scott, Donnie Thomspen, Leroy Bishop, Salvador Martinez, Knute Stoneburg, Jesse Martinez, Bob McReynold, Merlin Smith, Rex Langley, Leonard Wood, and Benjamin Zamora. Managing are Joe Mackey and Darrell Wilson.

Around these fourteen underclassmen, Coach Harper has developed a well co-ordinate team whose members are prospects for future varsity teams.

Dear Norene,
There's nothing one of
the sweetest girls I know,
best of luck. I know,
swell. I hope you obtain
everything out of life
that you desire. I remember

The first thing I noticed
 when I stepped out of the car
 was the smell of the sea.
 It was a fresh, salty
 breeze that seemed to
 wash over me. I had
 never before. The sun
 was shining brightly, and
 the water was a deep
 blue. I felt a sense of
 peace and freedom that
 I had never experienced
 before.
